BLUE MAGIC CAR WASH CAR WASH C55

BLUE MAGIC CAR WASH is an economical liquid concentrate that produces high sudsing action. This product cleans thoroughly, is non-streaking and rinses freely. BLUE MAGIC will leave a bright shining surface. It performs equally well in hot or cold water. This product is great for companies that wash their own fleets. Works like magic!

**For manual washing*
Use concentrate in car washing machine according to the direction of the machine manufacturer.*

Features:

- SUPER HIGH SUDSING
- NON-STREAKING
- MANUAL OR MACHINE WASH
- USE WITH HOT OR COLD WATER

DIRECTIONS FOR USE

1

For hand washing
Spray car with water to remove dust and loose soil.

2

Dilute 1 gallon of hot or cold water with ½ oz of BLUE MAGIC solution. Wash with brush or cloth.

3

Excessively soiled or greased areas may need to be rubbed until clean. Rinse thoroughly with clear water. Do not allow solution to dry.
