- Economical

## DIRECTIONS FOR USE

1

For stale air/undesirable odors: Hold container upright and spray around room or area to be deodorized.

2

**FOR RESTROOMS:** Spray around fixtures and in corners.

3

**DEODORIZE MOP WATER:** Add up to 1 oz per gallon.

**ADD TO CLEANER:** Add up to 4 oz per gallon of any cleaner to remove water and musty odors or smoke odors from surfaces to be cleaned.
