

# CLEAN N' GUARD

## CLEANER • DEODORIZER • DISINFECTANT

**Description:** Clean N' Guard is a general non-acid, ready-to-use, non-abrasive cleaner formulated to be a solution to a variety of disinfecting needs. It is formulated to disinfect hard, non-porous, inanimate surfaces. Clean N' Guard is tuberculocidal, virucidal, and fungicidal (against pathogenic fungi), and is also effective against H1N1 Influenza A Virus (Swine Flu) Also deodorizes areas that are generally hard to keep fresh smelling.

**Directions:** Remove gross filth or heavy soil prior to application of the product. Hold container six to eight inches away from surface to be treated. Spray area until it is covered with the solution. Allow product to penetrate and the surface to remain wet for 3 minutes (four bloodborne pathogens: allow surface to remain wet for 1 minute for HIV-1 and 5 minutes for HBC and HCV)

**Benefits-Features:** MULTI-PURPOSE • READY-TO-USE • DEODORIZES
