ODOR BLASTER II

DEODORIZER

DIRECTIONS:

FOR STALE AIR/UNDESIRABLE ODORS:

Hold container upright and spray around room or area to be deodorized.

FOR RESTROOMS:

Spray around fixtures and in corners.

FOR LIGHT CLEANING:

Spray small amount on rag, rub surfaces.

DEODORIZE MOP WATER:

Add up to one ounce per gallon.

ADD TO CLEANER:

Add up to four ounces per gallon to any cleaner to remove water and musty odors or smoke odors from surfaces to be cleaned.
