

ODOR BLASTER II

Spray Air Deodorizer

Description: This long-lasting water-based air refresher works wonders on the most offensive malodors – smoke, mildew, refuse, etc. You can even add it to your mop water to help freshen up any room

Directions: FOR STALE AIR/UNDESIRABLE ODORS: Hold container upright and spray around room or area to be deodorized. FOR RESTROOMS: Spray around fixtures and in corners. FOR LIGHT CLEANING: Spray small amount on rag, rub surfaces. DEODORIZE MOP WATER: Add up to one ounce per gallon. ADD TO CLEANER: Add up to four ounces per gallon to any cleaner to remove water and musty odors or smoke odors from surfaces to be cleaned.

Benefits-Features: INSTANT LIQUID SPRAY • READY TO USE • DEODORIZES • REMAINS ACTIVE • WATER-BASED

Advantages: MULTIPLE USES • EFFECTIVE ON ALL TYPES OF MALODORS • ECONOMICAL

Where to Use: Odor Blaster II is effective in all scenarios where malodors need to be removed

Recommended For: APARTMENTS • BANKS • CHURCHES • OFFICES • KENNELS • SCHOOLS • LOCKER ROOMS • RESTROOMS • HOSPITALS • NURSING HOMES • WAITING ROOMS • GARBAGE PAILS • AUTOMOBILES • MEETING ROOMS
