

# FRESH SPRINKLES

## Odor Eliminator

**Description:** A quick and easy means of eliminating malodors wherever they occur. Features a unique package which shakes out fine, nearly invisible crystalline particles that absorb unpleasant odors and release a clean, fresh fragrance into the area. Eliminates offensive odors caused by smoke, fire mildew, garbage, moisture, diapers, cooking, animals, and more. Effective even in moist or damp areas. Non-flammable crystals enable use in ashtrays and urns. One container treats up to 5000 square feet. Deodorizes carpet, upholstery, mattresses, dumpsters, refuse areas and much more!

**Directions:** Just sprinkle on effected areas to eliminate odors. No vacuuming necessary.
