

# VANISH

## CARPET AND UPHOLSTERY SPOT REMOVER

**Description:** **VANISH** is a specially formulated spot remover that can be used for both carpets and upholstery. This product works quickly to dissolve both water-based and oil-based stains and soils. Removes: grease, oil, soft drinks, ink, tea, kool-aid, alcoholic beverages, urine, blood, ketchup, mud tar, lip stick, marking pens. Requires little to no rubbing and leaves a pleasant fragrance. This product is excellent as a pre-spotter prior to carpet extraction. The concentrated stream that comes from the inverted valve allows the product to be sprayed directly where needed without kneeling, for easy treatment of stains.

### Directions:

TEST FOR COLOR FASTNESS BEFORE USE.

1. Hold can in inverted position at arms length, pointed directly at spot to be cleaned
2. Spray spot, watch spot VANISH.

Excess deposits of grease, ink, and/or oil may require additional applications or agitation. If spot is saturated, it is best to blot the area with a sponge or paper towel. Allow to dry before determining the need for a second application.
